BETTER WITH AGE

Roll back the clock on your skin with products targeting every trouble spot

By Aja Mangum

1. BODY

111Skin Cryo Energising body serum \$150; barneys.com
Extreme cold can lift and tighten skin. So does this cream, thanks to marine-algae-derived "Pepha-Tight," which mimics the effect.

2. FACE

Omorovicza Instant Perfection serum \$160; omorovicza.com
This oil-free potion uses minerals found in Budapest's thermal baths and stem cells from the Narcissus flower to rejuvenate skin.

3. FACE

Dr Dennis Gross C+ Collagen Brighten + Firm vitamin C serum \$78; drdennissgross.com
A silky-smooth gel packed with vitamin C to firm skin and erase dark spots. It's light and absorbs quickly.

4. NECK

Exuviance Age Reverse toning neck cream \$79; ulta.com
The formula aims to encourage collagen production, which keeps skin firm. Almost as good: It's fast-absorbing, so it won't get all over your collar.

5. BUTT

Orlane S.O.S. Minceur slimming detox and intense remodeling \$85; orlane.com
It's concocted with caffeine, which aids in dehydrating and shrinking the fat cells that form cellulite.

SERIOUS STUFF

TWO THOUSAND YEARS OLD, AND
I DON'T LOOK A DAY OVER 20!

Etc.

6. FOREHEAD

Dermaché Labs FullFill
hyaluronic acid topical wrinkle filler
\$89; sephora.com

Hyaluronic acid, a potent moisturizing agent, helps skin repair itself. A dab of this concentrated cream on forehead lines and crow's feet is all you need.

7. SMILE LINES

Rodial Bee Venom super serum
\$199.95; planetbeauty.com

Also known as your nasolabial folds, these lengthen and deepen with age. Rodial's fix-it employs bee venom to relax the muscles that cause the lines and marine collagen to increase elasticity.

8. DECOLLETAGE

SiO Décolleté cleansing discs
\$45; **skin pads** \$99.95; **serum**
\$135; siobeauty.com

The discs cleanse and exfoliate; the washable, reusable adhesive pads deliver intense moisture; and the serum smooths wrinkles and evens tone.

9. HANDS

Look Beauty Handtreat Mani Moisture & Nourishing hand mask \$9.99; amazon.com
Witch hazel and antioxidant-rich peach extract halt the deterioration of skin cells, while shea butter soothes, all in a neat, disposable glove.

10. NECK

Elizabeth Arden advanced ceramide capsules daily youth restoring serum \$78 for 60 capsules; elizabetharden.com
Each golden, biodegradable tab contains a powerful solution of ceramides, fatty molecules that assist in moisture retention. Feels like slathering yourself in olive oil, only richer.

11. LIP

Restorsea Pro LipMagic \$35; restorsea.com

Restorsea products use a special enzyme found in salmon eggs to target dead cells for exfoliation. The process gives your lips a plumper look and more natural color.
